expert in sports hall development

Ball Hall is the UK market leader in sports hall development including the design and project management of affordable sports centres and sports halls for schools, colleges, universities and local authorities.

Each Ball Hall building is designed especially for the client. They can be tailored to include ancillary halls, fitness suites, changing rooms, classrooms and staff offices. Other Ball Halls incorporate climbing walls, dance studios, outdoor changing facilities, spectator accommodation, social or function areas and even meeting and conference rooms.

Ball Hall has experience in designing on sensitive sites, such as within the Green Belt or conservation areas, and in close proximity to neighbours.

Every Ball Hall sports hall development provides appropriate sports flooring, heating, lighting, equipment, facilities and amenities for players, supporters, coaches and administrators.

Stewards Academy

Cost: £1.6m

Four court hall, two changing rooms, fitness suite and reception.

St Helen & St Katharine School

Cost: £2.7m

Six badminton court sports hall including state of the art fitness gym, two flexible classroom/spin rooms, dance studio and viewing gallery.

Perth College

Cost: £7m

Six badminton courts, 400 seats, climbing chamber, changing rooms, fitness studio, strength & conditioning room, dance studio, hair treatment rooms, three large beauty therapy suites, classrooms, training rooms and offices.

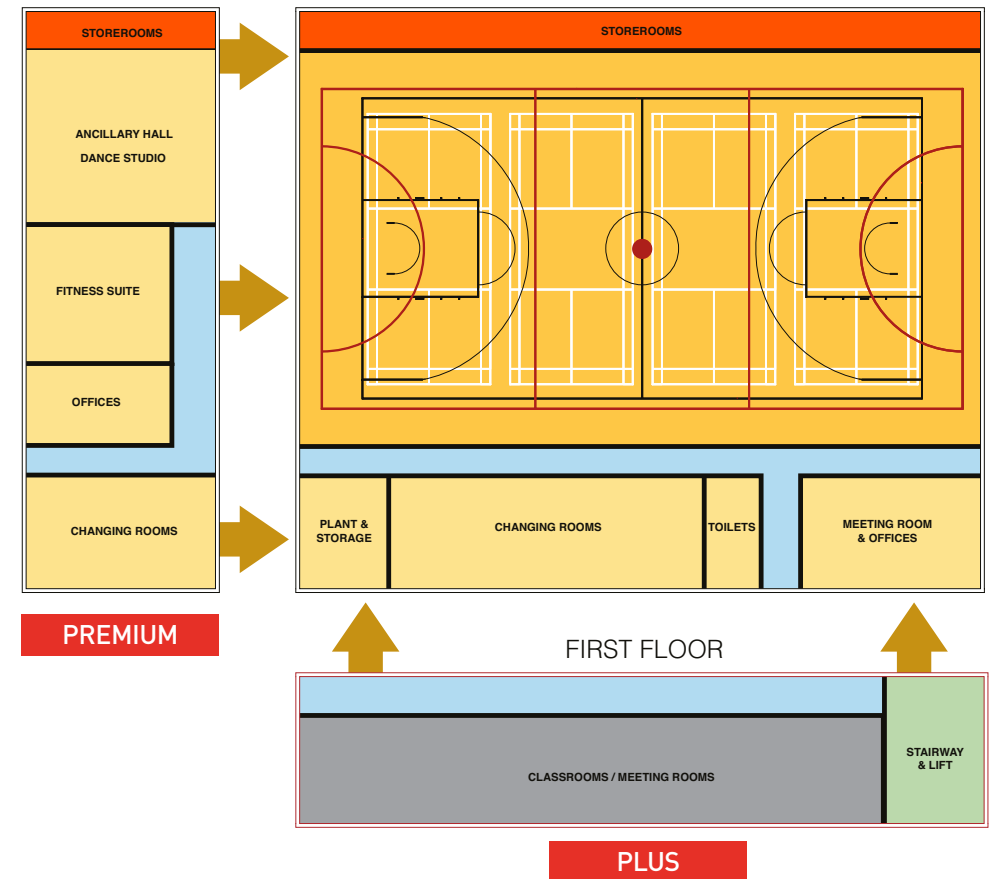

BH4 BH4 PLUS BH4 PREMIUM

4 x badminton court hall with changing and office/reception

BALL HALL "PLUS" and BALL HALL "PREMIER" offer additional classrooms, fitness suites and dance studios. This, with fit outs of demountable draping systems, giant carpet tiles, portable staging and seating, enable the space to be maximised for examinations, social gatherings, prize presentations, etc.

Here is a typical layout but the same can be done for BH3, BH6, BH8 and BH12.

BH4 PREMIUM adds another hall for dance/aerobics/general activities, fitness suite, reception and fitness office and two further changing rooms.

BH4 PLUS builds a first floor on top of the amenities block below, creating classrooms and/or meeting rooms.
